To Our Valued Customers,

We have some exciting news, goals, and possibilities to share with you.

Fast Eddie's Automotive Repair is ready to announce what has been tested over the past few months and how excited we are to launch the new structure within the company.

Fast Eddie's Automotive Repair has decided to temporarily transform over into a mobile repair service. This decision was based on the new norm of our state and how it seems best suitable during these times. Although we are no longer housed in a "shop", the safety of our employees and customers is most important. Every service provider will be required to wear a mask and maintain social distance as outlined by the State.

The following is an outline of the new structure and what you can expect to see from Fast Eddie's Automotive "Mobile" Repair.

- Fast Eddie's Automotive Repair is open for business. However, at this time, we have moved to doing mobile repairs by appointments only. Our dispatch number is 512-926-2944. Please feel free to leave a message or text if no one is available to answer at the time of your call.
- Hours of Operations:
  - Monday - Friday between the hours of 8AM – 5PM. Until otherwise stated, there will be no work outside of those days or hours.

- Car wash and light detailing (\$35-up)
- Light body repair
  - Fenders /hoods /bumpers /lights /mirrors /door handles
- Due to environmental reasons there will be NO oil changes or transmission services unless it's completed with a repair.

As we work hard to provide you with exceptional customer service, we also ask for your patience. During this time, we are still experiencing a major family health issue and at times may be faced with challenges that could affect our time and operations of hours.

We are extremely grateful for your thoughtfulness, loyalty, and the continued opportunity to service your vehicle.

Thank You,

Edward Banks, Owner
